# Magnetic thin foils

# Magnetism makes walls attractive

## Inspiring kid's rooms

Attach the magnetic foil to a piece of children's furniture and kids can start to collect their images, notes, collectibles and more. This way, a piece of furniture becomes a place to inspire children.

## TECHNO PRIME MAGNET

If you want to bring a little magic to walls, TECHNO PRIME MAGNET is exactly what you need. These stainless steel surfaces from Alanod are equipped with ferromagnetic capabilities, offering perfect magnetic adhesive functionality. TECHNO PRIME MAGNET is so versatile that you can integrate it in furniture, doors, or any other flat interior surface.

TECHNO PRIME MAGNET is available in coils and sheets with a thickness of 0.1 mm and 0.2 mm and a width of up to 1,350 mm including pre-applied primer for HPL/CPL on both sides.

The magnetism makes walls and boards more versatile to use

## Perfect for office spaces

TECHNO PRIME MAGNET can be attached to any wall, to create a space for presentation, organization, brainstorming or decoration with magnets and all kinds of notes and sheets.
